Skiso[®] LITTLE GIRLS

fall | winter 24-25

As summer fades, SKITSO welcomes the crisp air of autumn, where a cool breeze sets the *Little Girls*' outfits in motion, bringing a sense of playful energy to the season.

It's that time of year when the Little Girls pull out their cozy dresses, coats and cardigans, ready to embrace the new season.

In one corner, KARNI wraps herself in a white knitted cardigan, while PEGGY stays warm in a sweater over her floral pink skirt.

Nearby, ELERI, in her festive skirt, eagerly counts down to Christmas.

A sudden gust of wind scatters flowers, with a poppy landing on RUBY's umbrella and a bouquet adorning TROGIANNA's beige dress.

Dive into SKITSO's Fall/Winter '24 collection and let the Little Girls' charming patterns light up your space for the season ahead.
